Aware of the importance of maintaining sustainable tourism development, and assuming the principles adopted specifically in the Sector Technical Standard NTS – TS 003, the company ECOTURISMO SIERRA DE LA MACARENA is committed to:

- Carry out a sustainable management of its activities, through the adoption of commitments aimed at preventing, eliminating or reducing the impact of our facilities and activities on the destinations we offer in our portfolio of services,
- To optimize the sustainability of the company ECOTURISMO SIERRA DE LA MACARENA improving your behavior with the environment.

Likewise, the travel agency ECOTURISMO SIERRA DE LA MACARENA has adopted the following sustainable tourism policy through which it undertakes to:

- Comply with the requirements established in the Sector Technical Standard NTS – TS 003, which includes, among others, the legal requirements that regulate the effects generated by the tourist activity.
- We commit ourselves to motivate and train our staff with training and awareness actions on the principles of sustainable tourism, to promote good environmental practices in the environment, participate in external activities, and report both internally and externally on the environmental advances and actions of the company.
- To be promoters and leaders in the protection of our regional culture and to promote social equity.

One of our main objectives is to improve sustainable management, assuming the commitments of continuous improvement in all areas of sustainability: sociocultural, economic and environmental, as well as customer satisfaction. For this, the necessary projects and activities will be submitted to improve the provision of tourism services with criteria of sustainability and efficiency in the use of natural, cultural and business resources.

This sustainable tourism policy will be updated whenever circumstances require, adopting and publishing in both cases new sustainability objectives.
